by *Jane Adams at Smith Realty, Berkeley* your phone number 999 999-9999 here for any questions

Congratulations! Mary

You are about to treat yourself to a new experience of color in your home or office. I am a colorist / visual artist and have over twelve years of experience and happy clients throughout the S.F. Bay Area. Selecting color for all architectural surfaces is my special joy.

Please call me as soon as you receive this special gift so we can set up a color appointment at your convenience and talk a little about how our time together will work.

Please feel free to visit my website and/or ask me for client references when you call for your appointment.
